RESEARCH POSITIONS

Campus Sexual Misconduct in a Digital Age (CASMIDA)

Research Associate

May 2024– 2026

Research Assistant

May 2023– 2024

National University of Singapore, Department of Communications and New Media

Principal Investigator: Asst. Prof. Michelle Ho

Investigated technology-facilitated sexual violence in campus settings. Conducted and transcribed interviews; managed six quantitative surveys; and handled qualitative and quantitative data cleaning, preparation and analysis. Assisted with updating of IRB forms and all other administrative duties related to the study. Wrote papers and presented study findings at an international conference. Study website: casmida.com

Queer Men in Singapore: A Research Study on Digital Intimacies, Sexual Behaviors & Mpox Perceptions

October 2024
– 2025

Research Associate

National University of Singapore, Department of Communications and New Media

Principal Investigator: Asst. Prof. Michelle Ho

Part of an interdisciplinary team conducting research on the perceptions, understandings, and lived experience of gay, bisexual, or queer men in Singapore. Conducted and transcribed interviews, as well as handled administrative work related to the study. Wrote papers and presented study findings at international conferences.

Study Website: tinyurl.com/queermeninsg

Interventions in Young Singaporeans’ Experiences and Understandings of Sexual Violence

October 2023
– 2024

Research Assistant

National University of Singapore, Department of Communications and New Media

Principal Investigator: Dr Shobha Avadhani

Explored young Singaporeans’ experiences and understandings of gender and sexual violence through a case study of NUS students. Conducted literature review and did data analysis on over 500 student papers.

Work and Savings Behaviours of Lower-Income Families in Singapore Apr 2022
Student Researcher – June 2022

Institute of Policy Studies, Lee Kuan Yew School of Public Policy

Principal Investigator: Dr Mathew Mathews

Studied the work and savings behaviours of families living in three to four-room housing flats, aiming to propose policies to enhance long-term financial stability. Conducted door-to-door participant recruitment for the study.

Politics of Fatness in Media Cultures Jan 2021
Student Researcher – May 2021

National University of Singapore, Department of Communications and New Media

Principal Investigator: Dr Shobha Avadhani

Examined how fatness is constructed as a discourse across multiple media artefacts and platforms, from government health campaigns to social media activism. Conducted systematic literature review and assisted the Principal Investigator in developing the research framework.
